

Become a Ski Trip Captain

All Members Welcome to Apply
2018-2019 Ski Season

The 2018 - 2019 ski trip schedule is out and the club needs a few special people to serve as **Ski Trip Captains**. You need not have previously run a ski trip. We are looking for anyone who has the energy and enthusiasm to make one of our trips successful in providing an enjoyable experience to all participants.

For the newer members, you will be provided trip leader guidelines and suggestions. The Activity Rules in the directory or on the website www.phxski.org will familiarize you with how a trip is run. There will be people to help you if necessary. Hopefully you have already been on a ski trip, so you have an idea of what the trip leader does.
